Speakers

1. Julia Lothrop, M.S., Acting Regional Director and Executive Officer US DHHS/ Region VI
2. Jennifer Klein, Family Nurse Practitioner at Prism Health North Texas
3. LT India Johns, Clinical Social Worker
4. CDR Luz Rivera, PsyD, Regional Director , Region VI PACE Program

Objectives:

1. Increase knowledge of the importance of women sexual health and linkage to appropriate HIV prevention or care services as a routine part of overall health care.
2. Increase knowledge of the use of nPEP for women who have been exposed to HIV through high-risk events, including having condom-less sex, sharing a needle, or in the case of sexual assault.
3. Participants will learn self-care techniques
4. Provide HHS/OIDP Ending the HIV Epidemic updates to stakeholder
