## SCIENCE ON TAP: ICKFEST

*It's time for some grown-up fun at the Museum*

Do you have the guts for **Science on Tap** this fall? Step into the lab and explore **IckFest**, your chance to discover gross (anatomy) and fascinating sciences! Check out **real human organs**, try making **fake wounds** with special effects makeup, feel and see amazing **slimy substances** while you sample strange brews or grab a trick or treat from our **Mad Science Lab**. Of course, Science on Tap wouldn't be complete without the crowd favorites: **Trivia on Tap**, spooky favorites from our DJ, **chats with area experts** and enthusiasts, and a **spooky scavenger hunt!** Don't forget to wear your favorite costume (no masks please) and **spend your Friday the 13th at Science on Tap... if you dare!**

**\$20 PER PERSON / NON-MEMBERS**

**\$15 PER PERSON / MEMBERS**
